The theme of this year's annual is the poem, **The Road Not Taken,** by Robert Frost. We, the Annual Staff, feel that this poem appropriately characterizes this year's senior class. Over the past four years, they have had many decisions to make, many roads to choose from, and now, after graduation, they find themselves at the crossroads of life. WHICH ROAD SHALL THEY CHOOSE?

The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I--
I took the one less traveled by,
And that has made all the difference.

----by Robert Frost

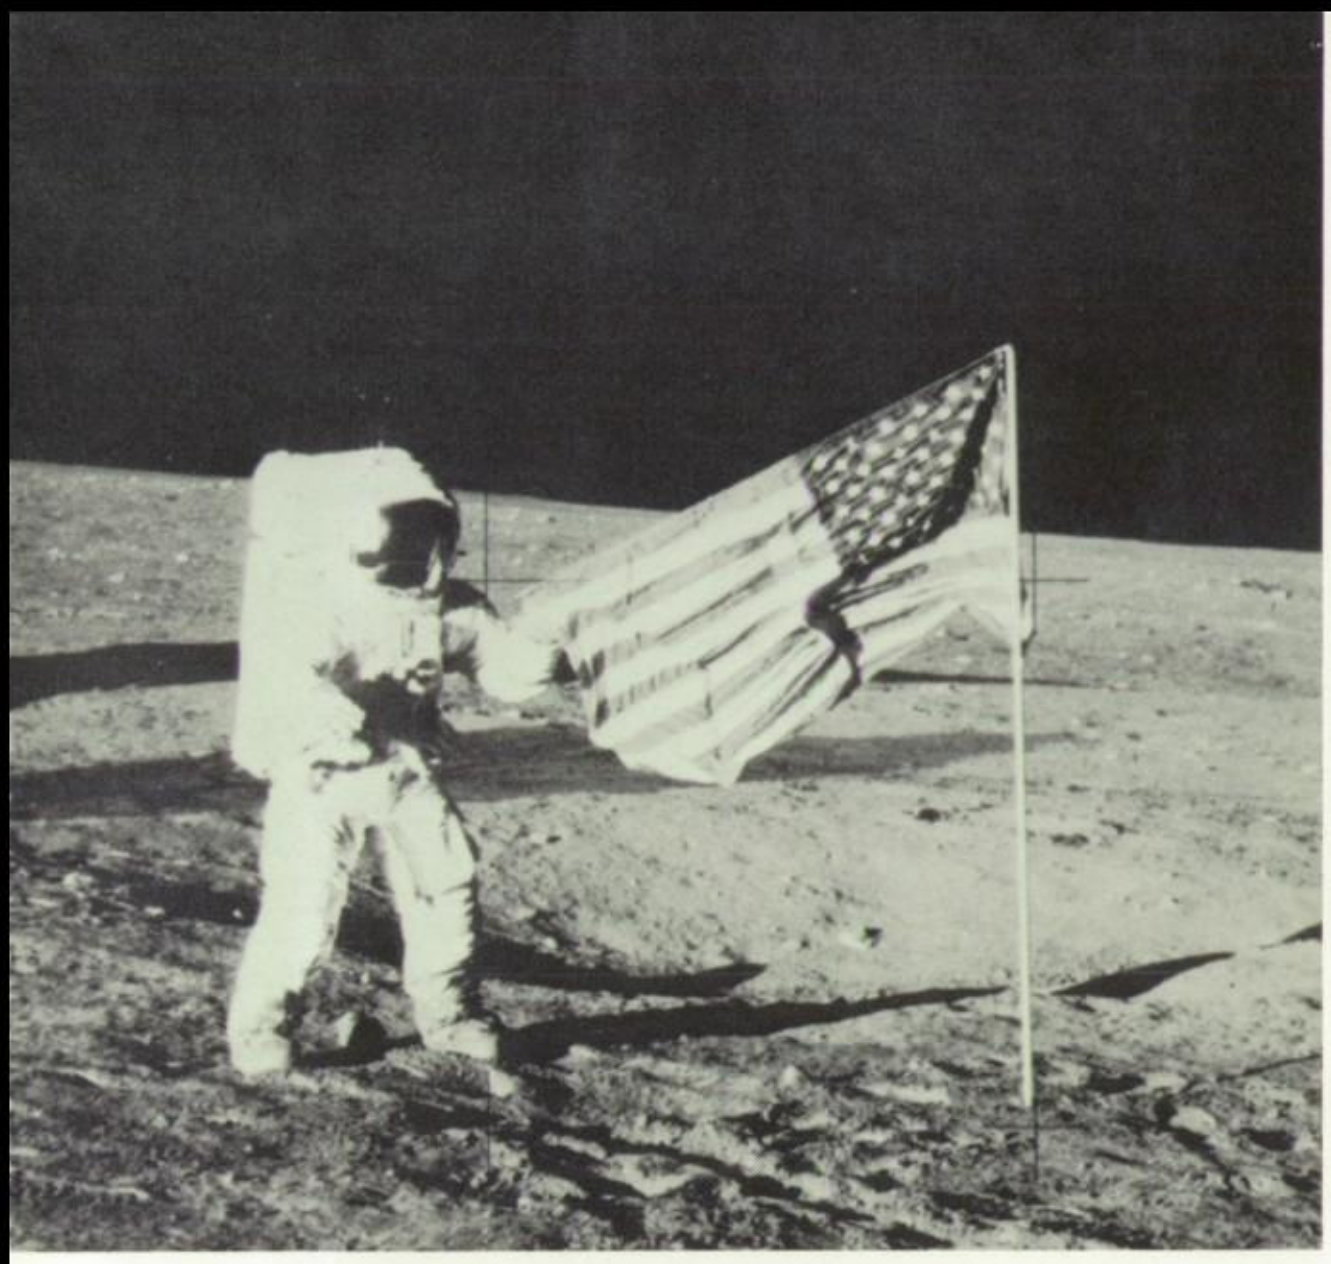
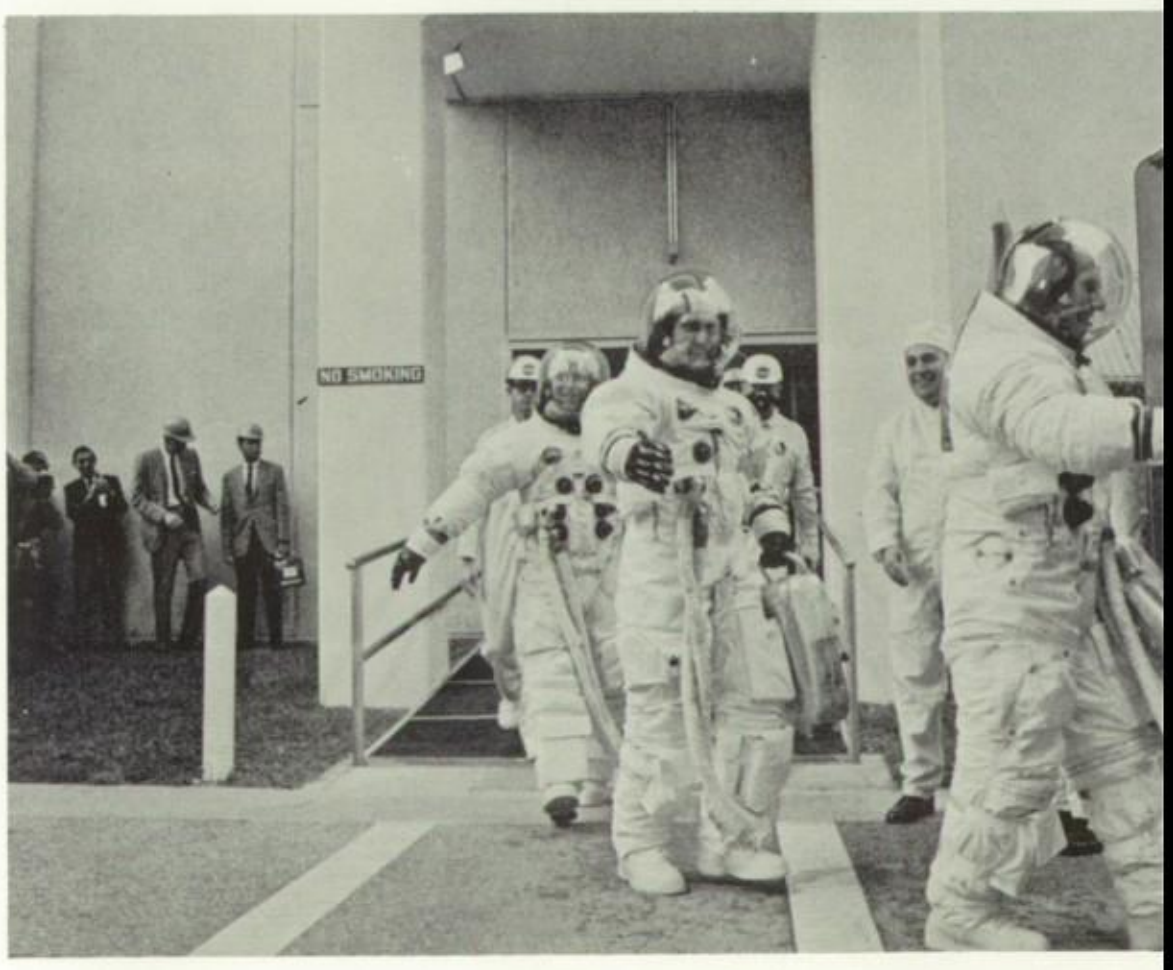
The crew for the Apollo 12, the nation's second lunar landing mission. **From left to right:** Charles Conrad, Jr., Commander; Richard F. Gordon, Command Module Pilot; and Alan L. Bean, Lunar Module Pilot.



Above: Apollo 12 astronaut stands with American flag he has planted in the moon. **Right:** The astronauts are home at last. **Far Right:** This is the Saturn Five that lifted them off the pad in Florida. **Lower Right:** The astronauts entering an air-conditioned van to take them to their space craft.

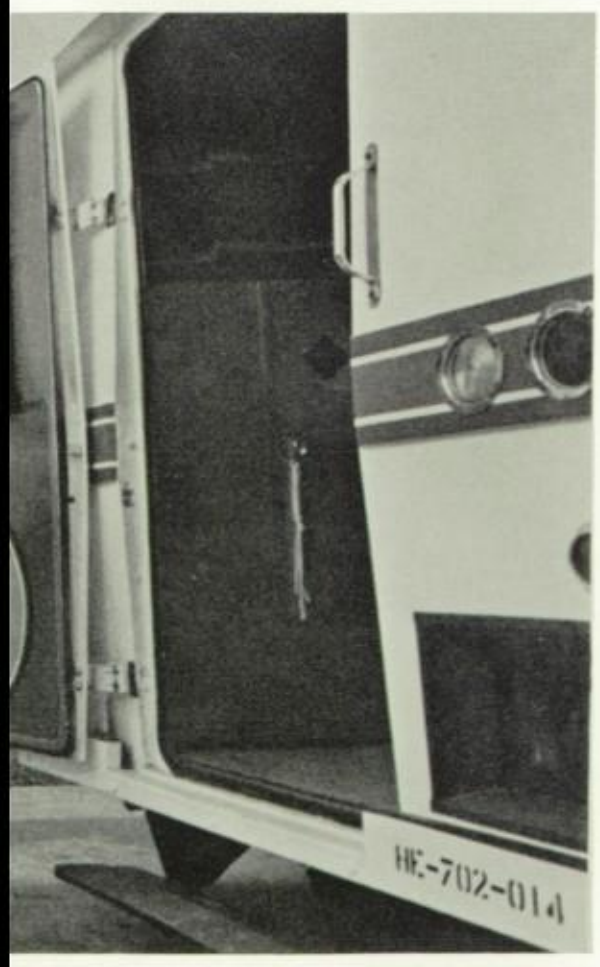
The Road to the Moon Is 240,000



The trip to the moon begins at Kennedy Space Center in Florida. With the 363 foot high vehicle posed and ready for the launch, astronauts Charles Conrad, Jr., Richard F. Gordon, and Alan L. Bean are also ready for their long trip that will take them into the far reaches of space in a huge step to conquer the unknown. The trip to the moon was perfectly flawless. The landing was beautiful, and everyone on earth watched as astronauts Conrad and Bean walked on the moon. The trip home was perfect, and in no time at all, the three men were home.

Some people ask, "Why go all the way to the moon? When you get there, you find nothing." We in the United States spend millions of dollars to gain knowledge, but there is an underlying reason behind the space effort. That reason being to promote world peace. To further emphasize this statement, I would like to quote from the first man to step on the moon, "A small step for a man, a giant leap for mankind." This short statement speaks for itself.

Miles



No! These are not men from Mars. They include Dale Woods, Ron Penrod, and Denny Phillips. They are responsible for putting up the flag every morning.

Everyone has heard of the BOMB SCARE thatwe received, well, here we have two surplus detonators that could be used to set off an explosion. These belong to the physics class and are hidden in the cupboard there. There is only one catch, as far as can be found, the longest time that these can be set is for 60 seconds. That doesn't leave much time.

Riverdale's News

The famed personality Timothy Boden has blessed the students at Riverdale with many fine speeches and demonstrations. Here he is giving a speech to the VICA Club in which he is President.

Here we have a picture of the eclipse that was viewed during this year. The picture was taken through a filter by Mike Hogan. CAUTION: NEVER LOOK AT AN ECLIPSE WITH THE NAKED EYE! A sad note to this was in the area papers just recently, a girl stared at the eclipse and is permanently blind.

Student Council President Barbara Clark was absent from the above picture. Barb, along with the other members have helped voice the students' opinions in the law-making body at Riverdale High School. The council's projects for the previous year consisted of painting the football bleachers, altering the students' dress code, entertaining the guests at the teachers' banquet, and preparing the homecoming ceremonies. The Student Council also made it possible for students to write to local servicemen for the first time at Riverdale.

Paths Cross and

The Riverdale Falcon Football Team began the 1969 season by defeating River Valley, Ridgedale, and Buckeye Central. This extended the Falcons' winning streak to 16, 2nd longest in the state at that time. The Falcon winning streak was also long enough to make the Falcons the third ranked team in the state.

Then to the surprise of all the Falcon followers, the mighty Falcons were defeated by Carey and Pleasant successively. With their pride deeply hurt, but not their spirit, the fighting Falcons went back on the war path and defeated Wynford and Elgin. In the closing games of the season, the Falcons were defeated by an inspired Mohawk team. Again the Falcons climbed from the depths of defeat to the heights of victory by beating Colonel Crawford. In the final game of the season, the Falcons were again defeated, this time by Kenton.

Throughout the 1969 football season the Falcons won six games and lost four, ending in a three way tie for second place in the North Central Conference.

Falcons closely watch as the game progresses.

PAT WEBER MAKES OFFENSIVE AND DEFENSIVE HONORABLE MENTION IN THE STATE

Pat Weber was Riverdale's highest scorer this year and was rated second in the North Central Conference with 72 points. Through the season Pat set a new school record for yards averaged per pass reception. Pat was Co-MVP and named to the All-NCC First Team for the second consecutive year. Along with these other numerous honors, Pat is the first player to ever receive both Defensive and Offensive Honorable Mention in the state in one year.

STEVE COLE RECEIVES HONORABLE MENTION ON THE HIGH SCHOOL ALL-AMERICAN TEAM

Steve Cole was Riverdales outstanding lineman of the 1969 season. Over 40% of the offensive plays went over his position with an additional 25% going over his side of the line. Steve averaged 3.4 down field blocks per game and was credited with 4 touchdown blocks. Steve was Co-MVP and co-captain of the Riverdale Falcon football team. He was named to the All-Ohio First Team by UPI and received Honorable Mention by AP. Steve also received placement on the All-Northwest Ohio First Team and Honorable Mention on the High School All-American Team.

About Our Coaches

Our head coach, Mr. D. Scott Renninger, graduated from Findlay High School in 1962 and proceeded to Heidelberg College, where he graduated in 1966. Mr. Renninger played guard all four years and thus earned All-Ohio Conference Honors in his senior year. After four years as "HEAD FALCON" his teams have compiled a record of 26 wins and 13 losses. Riverdale has placed eight people in All-Ohio Honors and has been honored with two team members receiving Honorable Mention for All-American honors. All this has taken place during these past four years.

Mr. Dave Pappada, Associate coach, is a graduate of Niles McKinley High School. While there he made All-Ohioian. From high school he progressed into college football at Findlay College. Dave Pappada started every game for his sophomore year on, thus lettering for three years. In his senior year at Findlay, he gained the honor of Little All-American Honorable Mention. Mr. Pappada is responsible for coordinating the defensive attack and the offensive line. In addition to these duties, he coaches the Junior Varsity.

Being a graduate of Lakota High School, Bill Smith advanced to Findlay College, and graduated from there recently. While at Findlay, Mr. Smith started safety for two years and served as a backup quarterback. He also saw duty on the specialty units. Coach Smith has charge of the offensive halfbacks, the fullbacks and defensive backs.

Assistant Coach John Hohn is a native of Teaneck, New Jersey. Previously to graduating from Findlay College in 1969, he earned his varsity letter as a halfback and as an expert in punt and kickoff returns. Coach Hohn is responsible for the offensive halfbacks and is also in charge of the Freshman team.

JV's Fight Hard

A Word About the Junior Varsity

This season seemed to be a rerun of the 1968 season for the Junior Varsity. Only this season it was much better as the Junior Varsity, under the direction of Coach Pappada, went unbeaten, untied, and unscored upon. In the process of demolishing their six opponents, the JV's scored a total of 190 points offensively and did not allow their opponents to score. With this devastating force as the Varsity of Tomorrow, it is easy to see that the Falcon fans can look forward to many Falcon victories in the future.

Riverdale's "Baby Falcons" spread their wings wide and flew to victory in great form this season. Coached by John Hohn, the Freshman Team succeeded in winning all but one of their games.

The Freshman Team defeated Cory Rawson and Carey with very impressive scores. Point wise, the Freshman Team was tied with Donnell Junior High, but defeated Donnell statistically. Then in their final game they were defeated by Vanlue's Junior Varsity Team. Even though they were defeated, they did succeed in holding Vanlue to only eight points.

All-in-all, it was a very successful season. The members of the Freshman Team gained much experience and confidence in themselves and a winning spirit that will be invaluable in the coming year.

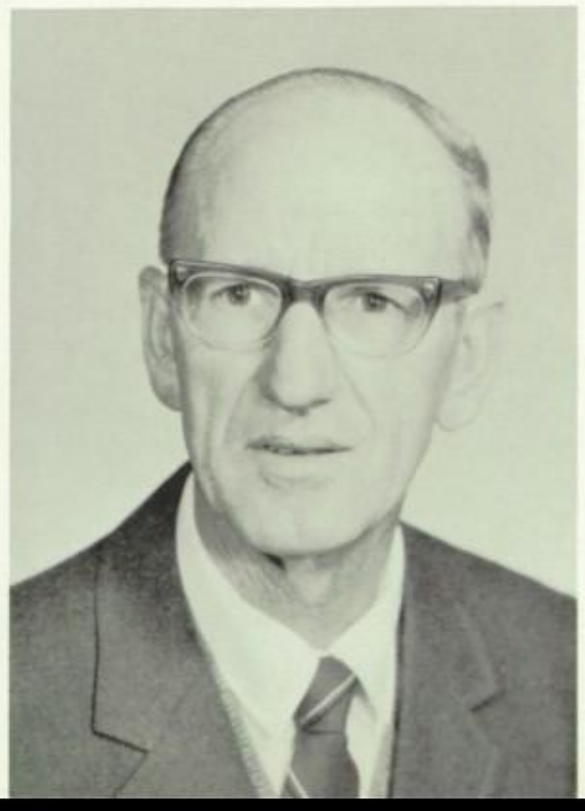
Mr. Baum Accepted Into Coaches Hall of Fame



Mr. D. Ray Baum has been accepted into the Rutgers University National Hall of Fame for High School Coaches. Located at Rutgers University in New Brunswick, New Jersey, the Hall of Fame in this shrine is a solid wall made of bricks. On each brick is a metal plate with the coaches name and record inscribed upon it. Thus, one of these plates is devoted to Mr. Baum.

Mr. Baum graduated from Ohio Northern University. He started coaching in 1929, and had his first championship in that same year. In two years, 1932 and 1938, he successfully coached undefeated teams. Mr. Baum left Forest, Ohio for one year to coach in Kenton, Ohio. But after that one year, he came back to Forest.

In 1945, Mr. Baum retired from coaching to become the athletic director at Forest. From this point forth, his major job was that of a history teacher. When the three schools merged to form Riverdale, Mr. Baum became the athletic director at Riverdale. He still has that history teaching job, and everyone here at Riverdale is glad of that. We all consider him, not only a fine teacher, but also a good friend.

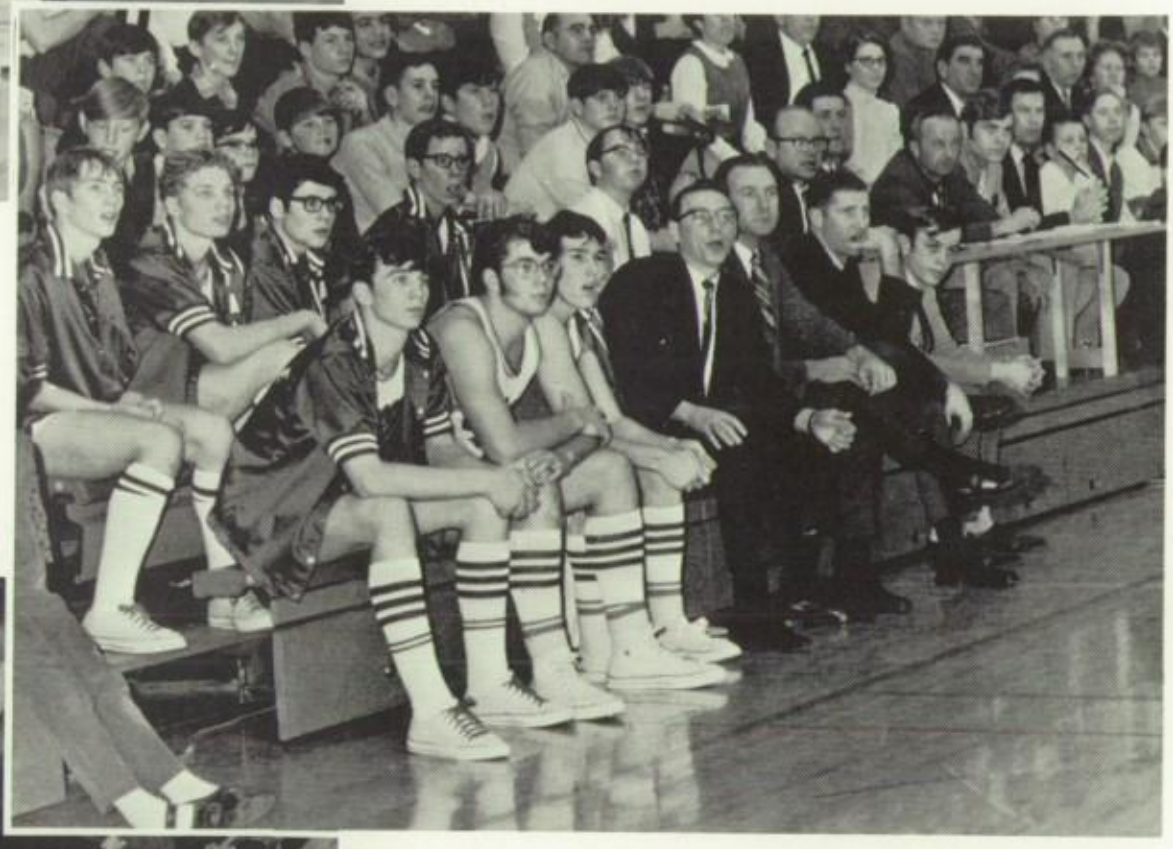
Basketball

From the Coaches

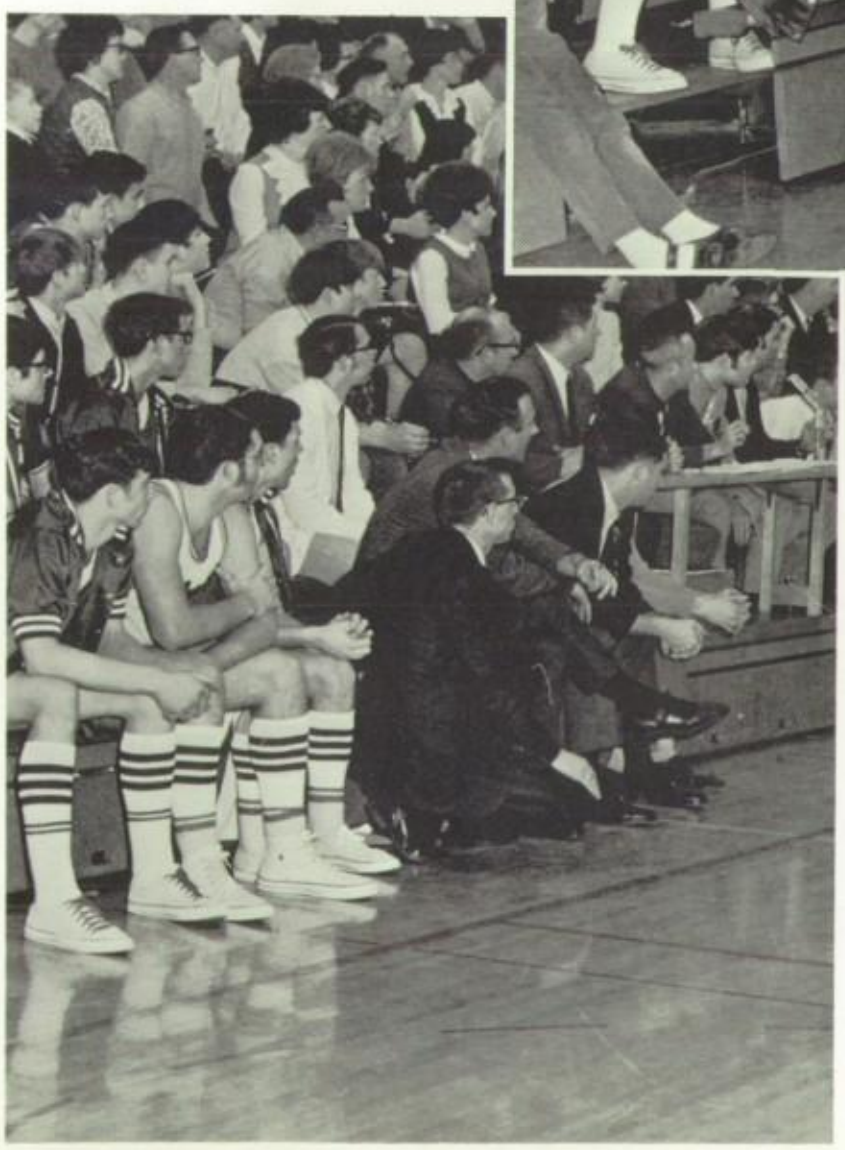
Point of View

Now coaches, please contain yourselves!



Yes, he fouled!

Well now, that's much better.



Someone asked, "Why don't we have at least one page devoted to the basketball coaches." Well, it seemed to be a good idea because they hardly ever get the credit that is due them. We hope that these pictures on this page will somehow show a little of the appreciation that is due them.

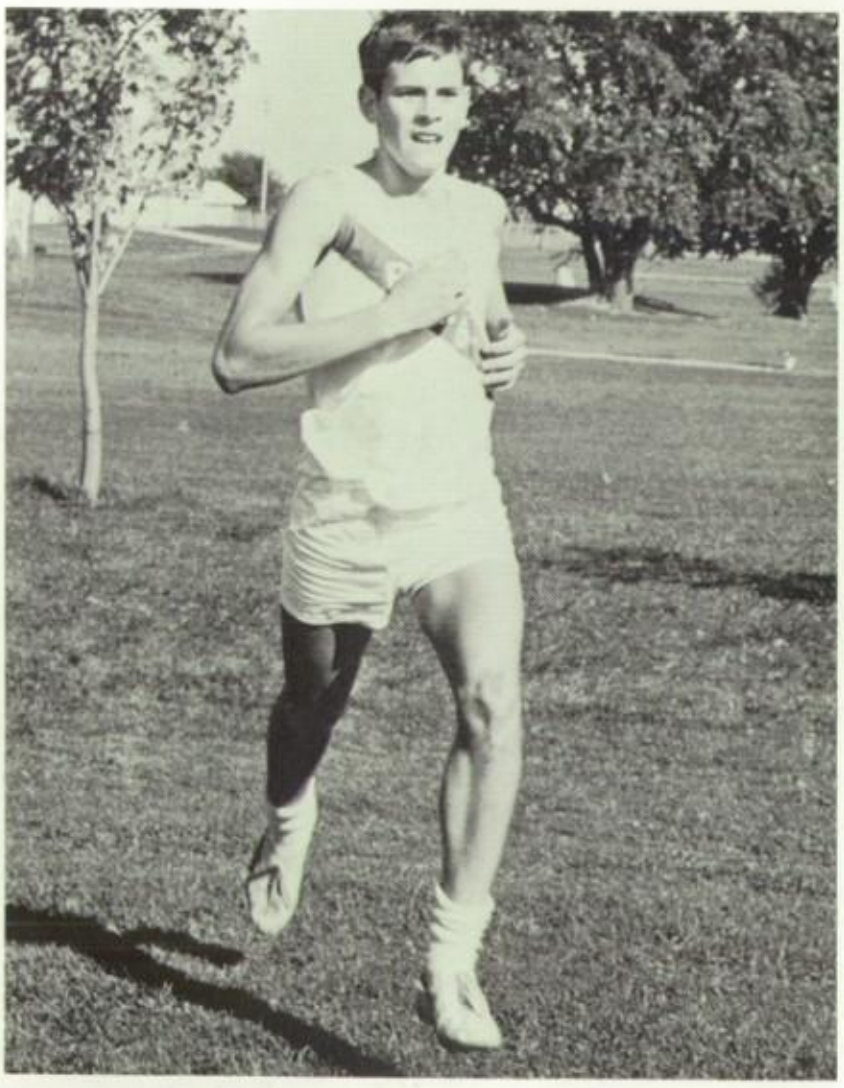
Riverdale's

Baseball Team

Bill Human, senior, earned his fourth-year varsity award this year. Bill has been a great asset to Cross Country the past four years, and he will be greatly missed next year.

David Arlington, Junior, earned his second varsity award and turned in the best time on the team of 10:22.



A sad team! This picture was taken after Riverdale finished second in the Hardin County Meet. **Kneeling:** Jim (Pigeon) Padgett, John (Mouse) McEntee, John (Minnow) Shark, and Dave (Cornhusker) Arlington. **Standing:** Coach Kamerer, Bill (Columbus) Human, Lyle (Turtle) Curl, Denny (Feet) McClanahan, Joe (Roadrunner) Henicle, and Mike (What) Johnson.

Falcon Cross Country Take Road to State

This year for the first time a Riverdale athletic team qualified for the state finals. The Cross Country team did it by placing second out of nine teams in the sectional. Then at the district they finished sixth out of the seventeen best teams in northwestern Ohio. But at the state meet they finished last out of the twenty-three teams competing. Riverdale only graduates one senior this year and should have an even better season next year. Riverdale's Cross Country runners also won three of their four dual meets and one of their two triangular meets. In major meets they placed second in the Hardin County meet, third in the Zane-Kenton Invitational, and fourth in the North Central Conference race. All total, the Cross Country Harrier's had their best season ever and next season should retravel the road to state and should come back with a better showing.

Falcon Thinclads Make It on the Cinder Road

Dave Arlington has been a top distance runner for the last two seasons. This year he broke the school's two mile record. Dave, Bill Human, Ron Schoenberger, Dennis McClanahan, Dennis Huffman, Ron Lauck, Steve Thomas, Steve Cole, Denis Phillips and Worthy Hassan were the top scorers this year. Dennis Huffman broke the 120 yd. high hurdles record.

A few Falcon thinclads are relaxing at one of the meets. This year Riverdale had a good all-round team winning six out of seven dual meets, placing second in their only triple meet and seventh at the N.C.C. meet. The team participated at the Elgin relays and at the Blade relays but didn't place in either.

Kneeling, left to right: Charles Strasbaugh, Manager; Dennis Cain, Bill Henicle, Ron Lauck, Ken Ludwig, Steve Cole, Ron Penrod, John McEntee, Rick Cramer, Richard Essinger, Dave Arlington, Worthy Hassan. **Standing:** Coach John Hohn, Steve Thomas, Dennis McClanahan, Bill Himes, Mike Hogan, Dennis Huffman, Mike Hough, Ron Schoenberger, Denis Phillips, Bill Human, Dave Phillip, Mike Bacon, Coach Dave Jesse.

Riverdale High School's

Board of Education

We, on the Talon Staff with much regret, have to announce that we found it impossible to obtain a picture of the Board of Education. You see, the first time that the picture was supposed to be taken, one of the board members was sick. This prevented us from obtaining one at that time. Another date was set up for the picture to be taken. Well, this time the photographer was sick. Thus, the picture was not taken.

We apologize for this mistake, with the regret that these men cannot be honored by a picture. We hope that you, the reader, appreciates the time and effort that these men expended to give this area the best school in the state.
